

I listen exclusively to K-LOVE radio in San Antonio on 91.3fm, and have since they began broadcasting. Many of my friends also listen only to K-LOVE. We get informations on Christian concerts in the area and local church and Christian activity schedules from their broadcasts. I truly don't know what I would do without K-LOVE to listen to. There are no other non-commercial Christian radio stations in the area, but there are many non-secular stations and losing K-LOVE would be a huge disservice to loyal listeners. Please do not take away our station to add another LPFM station.
